## NOTES:

- We apologize to the teams highlighted at the end of the list. We did not record your start times so we couldn't figure out your paddling time. If anyone has any information that would help us please email [kayak@snowtosurf.com](mailto:kayak@snowtosurf.com).
- Team 43, Derek Nickel had another paddler take his kayak by mistake. He lost about 20 minutes figuring out what happened and then had to paddle the wrong kayak. He deserves the "best sport" award from the kayak leg.
- If any of the results seem obviously wrong let us know.
- We only record the kayak results for fun, they have no official standing except maybe bragging rights.
- We apologize for any name mistakes. It's either due to typing errors or illegible printing.
- A big thank you to our volunteers.
- If anyone is interested in helping time next year please let us know.
